Infant Room

Ms. Betty, Ms. Tiffany, & Ms. Kashka

Welcome to the infant room Trexton, Wylann, and Jaxson! They are all such a joy to have in our class room! We have been working with the infants on sitting up on their own and using their hands to hold/pick up toys. Please remember to take off your shoes before entering the infant room, it is a shoe free zone.

Ones Room

Ms. Kristina, Ms. Onna, & Ms. Sarah

Welcome to the ones room Matthew, Ryden, Zayden, and Gabriel. We enjoy having you all in our room. Our one's room friends are all almost walking! We are working on it step by step! The kids enjoyed all the holiday activities last month, especially Santa's visit! We have been working on using our words. Please remember to bring extra clothes for your children.

Toddler Room

Ms. Alyssa & Ms. Chastain

We would like to give a big welcome to our new friend Giovanni! He loves building with his friends in the block center! All the toddlers have been doing such an awesome job using the big potty and we're so proud of them. We have been working on clean up our centers when center time is over. Please remember to check daily sheets to see if there is any thing that your child might need.

Preschool Room

Ms. Ashley & Ms. Chyenna

Welcome to the preschool room Jocelynn! Jocelynn has just moved over from the toddlers and we're excited to have her! We have been practicing with the children on writing their names, they are doing an excellent job. We had so much fun getting ready for the Christmas program and would like to thank everyone the came to see us! Don't forget show and tell every Friday.

Schoolage Room

This month school will be closed on the 1st and 2nd for winter break and will back in session on the 3rd. There will also be no school on the 21st for Martin Luther king Jr. Day. If your children will be attending daycare on these days, then please be sure to let the directors know so they can plan accordingly.
